

WHY WORK WITH GURULINK?

GuruLink is a boutique IT recruitment services and software provider which has built strong client and candidate relationships based on trust and results. Our recruiters are dynamic, driven, and work together as a team to match top talent with great opportunities.

With a great team, great environment, great commission structure, great tools and technologies, and a great list of clients the question isn't Why work with GuruLink?, but rather...Why not?!

HOW GURULINK IS DIFFERENT!

GuruLink offers one of the best Full Commission Structure's in the industry of up to 70%. Variety of compensation models: base +bonus, base +commission, full commission.

Guru of the Month and Guru of the Year Awards Ceremonies reward our top performers with bragging rights and cash bonuses.

Reach \$125k in yearly production to make Presidents Club where you will join the team for a well deserved all expenses paid vacation somewhere tropical.

Cash bonuses awarded when individual Quarterly Production targets are met.

Monthly team production goals, when met, are rewarded with a fun event like paintball, bowling, Canada's Wonderland, rock climbing, etc.

Casual environment, flexible hours, and the ability to work remotely with access to our resources, technologies, and recruitment platform.

Work with a team that listens and implements your ideas to create a more productive and innovative practice.

Apply your knowledge and get the resources and infrastructure you need to build your recruitment practice within a recruitment practice.

Prime accessible location, private patio, BBQ, full kitchen, culinary feasts, monthly team events, Ping Pong, Nintendo Wii, big screen TV, darts, poker,.....need we say more?

CANDIDATE & CLIENT OWNERSHIP

We have devised an Ownership System based on the level of screening, last contact with Candidates and similarly, the level of contact and relationship history with Clients. Recruiters are compensated based on the degree of work completed.
